

MSSP/ACO REACH

A PROACTIVE HEALTHCARE SOLUTION

Are you looking for an ACO partner to support you in your transition to Value-Based Care?

Our solution empowers Primary Care Practices & Health Systems to deliver high-quality care.

Our MSSP/ACO REACH Solution:

- Offers upside only, zero downside model
- Shared savings performance based on **individual tax ID**
- Improve patient experience
- Optimize financial and operational performance
- Assure you stay up-to-date on regulatory requirements and changes
- Generate actionable interventions
- Access to shared savings with no downside
- Reduction of administrative workload (e.g., no MIPS)
- No need to change EMR, Tax ID, website, or other infrastructure

Supports the success of independent participating providers
